

The Team Match experience is designed for 5th and 6th grade students, however, some 4th graders are allowed to participate, but only at the discretion of the teacher. Team Match is offered three times during the school year. Each school selects 5 to 6 couples to create a team and each couple is assigned a "specialty" dance to perform as representatives for their school ballroom team.

There is no limit as to the number of double dancing Non Quaifying (NQ) teams per school that can dance at the Alpine Team Match, however each school must first register at least one FULL team (5 couples to represent 5 dances - M,CC,FT,T, Sw) to participate. Only 32 Level 1 teams will qualify to attend UVU Team Match event and only 20 Level 2 teams will qualify to attend BYU State Team Match held at the Marriot Center.
